QUOTATION FORM

Date: _____

To: Director of Public Works
Government of Guam
542 North Marine Drive
Tamuning, GU 96913

Gentlemen:

The undersigned (hereafter called the Offeror), a

_____

(Corporation, Partnership or Individual)

Organized and/or licensed to do business under the laws of _____, hereby proposes and agrees to furnish all the necessary labor, materials, equipment, tools and services necessary for the **MASSO RESERVOIR FISHING PLATFORM** all in accordance with the drawings, specifications and other contract documents prepared by the Department of Public Works for the sum of_____
($ _____plus any and all sums to be added and/or deducted resulting from all extra and/or omitted work in accordance with the unit and/or lump sum prices stated in the itemized quote form attached hereto.

The undersigned has examined the location of the proposed work, the drawings, specifications and other contract documents and is familiar with the local conditions at the place where the work is to be performed.

BASIC ITEM:

Description	Quantity	Unit Cost	Total Cost
1. Remove all existing decking of the entire fishing platform to include all ramps. 2. Provide and install new decking of the entire fishing platform to include all ramps. Decking sizes shall be 1"x 6"x 8' for platform and 1"x 6"x 6' for all ramps. **New decking material shall be composite lumber that contains a blend of wood, plastic and additives. New deck boards shall be solid bottoms and flat surface underneath. Please submit product specifications during the submittal of quotation.** 3. Remove and replace all existing bench bars. **New bench bars shall be 1 inch thick composite lumber that contains a blend of wood, plastic and additives. New bench bars shall be solid bottoms and flat surface underneath. Please submit product specifications during the submittal of quotation.** 4. Waterblast the entire fishing platform and re-align. Re-tighten all bolts, nuts and screws for proper alignment. 5. Repair and re-align damaged ramp. Provide and install new necessary materials to make the system work. 6. Dispose all construction materials at Government approved disposal site.	1 LS.		
Total Cost:			

Total lump sum cost, as per plan and the general scope of work, complete and ready for use:

_____($_____)

If the quotation is within the amount of funds available to finance the construction, contract award will be made to that responsible offeror submitting the low base offer.

The undersigned hereby acknowledges receipt of the following addenda:

	ADDENDUM NO.	DATED
1	_____	_____
2	_____	_____
3	_____	_____
4	_____	_____

If awarded the contract, the undersigned shall be the authorized representative to bind into an agreement with the government and agrees to complete the work within **sixty (60) calendar days** upon approval of Contract Agreement.

The undersigned understands that the Government reserves the right to reject any or all offer or to waive any informality or technicality in any offers in the interest of the Government.

GENERAL CONDITIONS

1. The Contractor shall comply with all applicable Federal and Territorial laws regarding liability arising or resulting from injury or death to its employees, and the Contractor shall save and hold harmless the Government of Guam from any and all claims arising from the above liability in the performance of this contract. Thus, the Contractor shall take out and maintain during the life of this contract the statutory Workman's Compensation and Employer's Liability Insurance for all of his employees to be engaged in work on the project under this contract and, in case any such work is sublet, the Contractor shall require the subcontractor similarly to provide Workman's Compensation and Employer's Liability Insurance for all of the latter's employees to be engaged in such work.

2. The Contractor shall submit, for the approval of the Contracting Officer, samples of the materials to be furnished and no item shall be installed by the Contractor, save at his own risk, until such approval has been given.

3. The Contractor shall pay all fees and charges for connection to outside service and use of property other than the site of the work for storage of materials or other purposes.

4. The Contractor shall comply with all laws, ordinances, regulations and building code requirements applicable to work hereunder unless in conflict with contract requirements. If the Contractor ascertains at any time that any requirement of this contract is a variance with applicable laws, ordinances, regulations or building code requirements, he shall promptly notify the Contracting Officer and any necessary adjustment of the contract shall be made.

5. **All other items not detailed shall be assumed included to make the system work complete and ready for use.**

6. Offerors should visit the site and shall be responsible for having ascertained pertinent conditions such as location, accessibility, and general character of the site or building, the character and extent of existing work within or adjacent to the site, and any other work being performed thereon at the time of the submission of his bid. No extra compensation will be made by reason of any misunderstanding or error as regards to the site, the conditions thereof, accessibility or the amount of kind of work to be performed.

7. Disposal - Unsuitable materials as a result of Contractor's operations shall be disposed of in accordance with the local laws and/or policies of the concerned agencies. Contractor shall be responsible for the payment of the tipping fee(s) required by the Government of Guam in the disposal of waste materials generated as a result of his operations.

8. Payment to the Contractor - The Government will make progress payment to the Contractor for work completed.

END OF GENERAL CONDITIONS
