- **OBD Operations Buckle Down:** This operation is an observational, educational & enforcement activity conducted by the Department of Public Works-Office of Highway Safety (OHS) together with Guam Police Department-Highway Patrol Division (HPD) at various schools “student drop off area”. OHS meet and greet parents, caregivers & students ensuring they are wearing the seatbelt and children are secured in an appropriate car seat. Informational brochures on highway safety initiatives are also distributed during this event. HPD are within the area enforcing the law by the issuance of citations (verbal and/or ticketing)
- **Exhibits/Static Displays & Presentations:** OHS participates in various events sponsored by the general community to include but not limited to Schools, Government & Private organizations, the Military, etc. Informational materials, demonstrations and interactive activities are provided as part of instilling changed behaviors that effectuate greater safety while driving or being transported in vehicles on Guam’s roadways.
- **ZERO Tolerance** includes all highway safety program initiatives under the OHS: Alcohol, Occupant Protection, Distracted Driving, Texting, Speeding & Pedestrian and Bicycle Safety.
